Please Pray For Catalyst While At Dare 2 Share Conference

14 youth and 6 adults will be heading to Chicago for this year's Dare 2 Share Conference in Hoffman Estates (Chicago), from April 1-3.

This year's conference theme is "Un. The Tour."

Here is the description for this year's conference:

Un. It's where teens live. Often unappreciated, unloved and deemed unworthy. But God flips that idea on its head. He uses unlikely teenagers to do unbelievable things for His Kingdom. Like David. No one gave him a chance, not even his own family, yet

he faced a giant unafraid while an entire army trembled.

At the un. Tour, David's life will highlight what it means to be un:

- **un.cool** - God using uncool people to accomplish his mission
- **un.alone** - always in fellowship with the Trinity
- **un.afraid** - taking a stand & defeating giants in their lives
- **un.leashed** - motivated & mobilized to share the unstoppable Gospel message

This high impact training will inspire and equip your

teenagers to begin sharing Jesus with their friends, and your youth group will never be the same as they witness the unstoppable power of the Gospel.

We will also be staying overnight Saturday night in order to be able to attend church at Moody Church in Chicago on Sunday morning. After church we will head to Portillos Restaurant, then to Millennium Park for a while, and then head home.

Church, please pray for us as we participate in this powerful weekend!

Mission Trip Students Looking for Work

Although the economic downturn has not impacted our youth as much as it has many adults, our students are nonetheless, still looking for jobs.

As a means to serving the local body of believers, as well as, serving Christ in St Louis this summer,

mission trip teens are looking for odd jobs that you have around your home that they could complete for you.

All jobs are done free of charge. However, don't allow that to stop you from giving generous donations that will go towards this summer's mis-

sion trip.

If you have a job you'd like help with, please contact Rhonda McKinley (309-235-5054) so we can complete this job at your earliest convenience. All jobs must be completed by June 30th, so contact Rhonda today!
